**Why buy JL?**

- ◆ JL manufactures and sources your garments in the USA
- ◆ The JL factory is fitted with **Solar Panels**--providing up to 40% of the energy it takes to make your garments
- ◆ JL garments are **Rowing Specific**. When was the last time you saw a football player in pads made for fencing?
- ◆ JL has been supplying top quality rowing clothing for over **20 years**.
- ◆ JL outfits **National Teams**.
- ◆ JL products are designed "on the water" not in the accounting office.
- ◆ Our delivery record is the best in the business.
- ◆ Rowers who wear JL **get lucky** more often.
- ◆ Our workforce enjoys full-time employment--we provide **100% health & dental benefits**, paid vacations, retirement and profit-sharing.
